

Chatham Day School began in 1998 with an early education program from preschool through first grade. As a testament to its success, the school expanded into a full elementary and middle school by adding grades year-by-year. In 2008, Chatham Day School graduated its first eighth grade class and, since then, our students are successfully enrolling in independent schools of choice.

Our graduates have been admitted to the following schools:

- Academy of St. Elizabeth
- Avon Old Farms (CT)
- Barnstable Academy
- Blair Academy
- Canterbury School (CT)
- Church Farm School (PA)
- Darrow School (NY)
